

I had a really good cookie for lunch. It had... Oh my gosh! It's snowing! I'm

thinking about dinosaurs right now. I don't know why but I am. Is that Lord of the Rings? Do I have dyslexia? Or is that A.D.H.D.?

One time when I was a little kid I was driving with my aunt annnddd I saw this rainbow that was right over me. Annndd I was like I'm going to find the end of the rainbow. Cause you know you always want to do that when you're a little kid. Oh wait I forgot..umm.. annnd I found the end of the rainbow but like the end of the rainbow was like a cabbage patch. It kinda sucked for me for the rest of my life.

I always get messed up with 'i' before 'e' except after c.

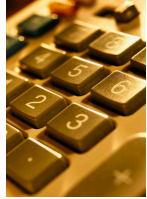

I put a 'w' instead of a 'y'.

*But I scrawl all my letters together so it doesn't look like I suck at life.*

I really like grilled **Cheese** sandwiches and taco  is like the key

to my *heart*. Actually so are junior  s.

I know you probably think I'm "unique" but I'm actually really smart. I got 101.5%

on my trigonometry test today.

I seriously don't have a filter I just say stuff. I think I may offend people sometimes.

That would be me if I robbed a **bank**, no one would catch me. Actually when I

was 5...when I was 5 my grandma taught me how to **kill** someone with an **ICE**

cube.

*How do you do that?!?*

Well you jabbed them in the neck and it travels through their blood stream. Well obviously they **die** because you stabbed them.  are really pointy. The  will melt and no one will find out.  have air bubbles and it would get into your **blood** stream. If you ever need to kill someone then that's the way.

I read this book one time this guy wrote. Umm he didn't use the letter 'e' in the **entire** book. And it was a **legitimate** story. 'e' is the most commonly used letter in the alphabet. My last name starts with an 'e'.
